RE: JEWISH FAMILY SERVICE MOVE/MARCH 15, 2000

To Whom it May Concern;

I am writing to express my sincerest appreciation for the assistance that you recently gave us with our move. I have never encountered a more professional, capable and warm group of young men. Without their help, decorating assistance and all around moral support, this move would have been overwhelming for us. I would like to thank Mike who made the arrangements for this move so easy for us.

Most importantly, please express our gratitude to Gonen, Justin, Moshe, Omri, Yonni and Yossi. We were deeply touched by their warmth and help in many ways during this very difficult move. Gonen and his crew were extremely kind and helpful to us and extremely patient. We very much appreciated his camaraderie during this project.

We look forward to doing business with you again.

Sincerely,

Tracy Hutchinson
