Gadi Avigzer
Project Manager
NorthStar Moving Corporation

Dear Gadi,

Words alone can not express my gratitude for the support you and your NorthStar Crew provided me with during our office relocation project. Moving a company of 100 employees is no easy task. However, the attention to detail and personal care given to everyone here at Konami, gave us an enormous amount of confidence that our every need would be met. From beginning to the end, your assistance was invaluable and for that you will never be forgotten.

Gadi you and your NorthStar crew are rare gems and surpassed all of our expectations. Whatever was needed, you were there and for that you have our unanimous praise.

Whenever we need to move again, we would with out hesitation use NorthStar's services.

Thanks again for a job well done,

Sona M. White
