Gadi,

I want to thank you for your all your hard work during our dick clark productions, inc. move from Burbank to West Hollywood. It was a challenging one to say the least and your efficiency and organization were exceptional. You and your respective crew made every effort to schedule the move in the most professional manner and I commend you on your efforts.

I am very impressed with your company and would gladly recommend your service to other companies or colleagues of mine.

Thanks again.

Sincerely,
